**NEWS:** Abilene Clay Sports is pleased to announce the hiring of our new general manager, Mr. Don Dunn. Don brings to ACS many years of involvement with the clay target shooting sports, and a long relationship with the organization. Along with wonderful wife Patty, the Dunns will assume operational duties of ACS next week. If you have not had a chance to meet Don, please stop by and introduce yourself. Look for a profile of the Dunns next month.

**UPDATE:** The clubhouse renovation project should be underway immediately following the West Texas Rehabilitation Center event. Volunteers may be needed to move out of the facility during the construction. Contact Steve Ellinger at the club if interested in helping.
